What kinds of legal change of name documents are available to order?

Alberta Vital Statistics only maintains records for legal change of names that occur in Alberta. Ensure you are ordering the correct document.

CERTIFICATE

All legal change of name certificates are certified extracts of the Registration of Legal Change of Name. There is only one style of legal change of name certificate which contains the person's former name(s), new name(s), certificate number, registration number, registration date and date of issue.

SEARCH LETTER

A search letter includes the former names, new names and the date of registration.

What is acceptable proof of identity and why is it needed?

When ordering Vital Statistics certificates/documents, the applicant must present an acceptable proof of identity document. This document must be issued by a provincial or federal government. It must contain a recognizable photograph, full name, and a distinctive identification number. If the document has an expiry date, the document must currently be valid. If the document has no expiry date, then it must have been issued within the last 5 years. If the document is in a language other than English, then the applicant must provide a notarized English translation including an affidavit from the translator stating that the translation is accurate.

What if I don't have acceptable proof of identity or am unable to apply in person at a registry agent office?

Your consent may be provided to another person to act on your behalf as a designated agent by completing the Applicant's Consent to Designated Agent section on the application. The designated agent must have known you for at least 1 year, must complete the Designated Agent's Statutory Declaration on the application, and must present their own acceptable proof of identity. Not all applicants may provide their consent to a designated agent - see Eligibility Information.

NOTE: When designating another person to apply on your behalf, you are still the eligible applicant. You will need to sign the application form and enter your personal information and relationship to the person listed on the certificate.

What is the cost for documents?

For certificates there is a government fee of \$20.00 per document, plus a registry agent service fee. For search letters, there is a government fee of \$20.00 plus a registry agent service fee.

How long does it take to process an application?

Under normal circumstances when the application has been completed correctly and there are no further requirements, certificates/documents are usually printed within 2 business days after the agent submits the request to Vital Statistics.

How will a legal change of name document be delivered to me?

Documents are mailed to the address provided on the application, unless other arrangements have been made with a registry agent office.
